

UI/UX Desingner

Hi,I'm **Pramodi Jayashani** From Sri Lanka

About Me

I am Pramodi Jayashani and I am a 22-year-old undergraduate student at SLTC Research University in Sri Lanka, currently pursuing a degree in Software Engineering. My portfolio highlights my academic and professional achievements, as well as my personal interests and skills. Throughout my portfolio, you will find a comprehensive overview of my educational background, which includes my high school education at Anamaduwa National College, my academic accomplishments at SLTC Research University, and any relevant coursework, research projects, or extracurricular activities. Furthermore, my portfolio showcases my skills and expertise in HTML5, CSS3, JavaScript, and UX/UI design, as well as any noteworthy professional experiences or accomplishments. I believe that my portfolio provides a well-rounded representation of my capabilities and aspirations, and I am excited to share it with you.
